Condensed Unaudited Consolidated Interim Financial Statements of Colina Holdings Bahamas Limited Three Months Ended March 31, 2013 UNAUDITED

#### Message from the Chairman

Dear Shareholders,

I am pleased, on behalf of the Board of Directors, to report a strong start to 2013, marked by a significant increase in net income and continued growth in shareholders' equity in spite of the prevailing economic environment.

Net income attributable to the Company's ordinary shareholders for the period January 1, 2013 to March 31, 2013 increased by \$1.0 million to \$2.8 million or \$0.11 per ordinary share, compared to net income of \$1.7 million or \$0.07 per ordinary share for the same period in the prior year. Total equity stands at \$131.7 million at March 31, 2013 compared to \$127.9 million at December 31, 2012.

Total gross premium revenues during the first quarter of 2013 totalled \$33.4 million compared to \$34.1 million for the three months ended March 31, 2012. While gross premiums for the Company's core life and health business lines have increased relative to prior year, a decrease in the Company's participation in reinsurance facilities has resulted in a decrease in gross premium revenues and a decrease in the changes in provision for future policyholder benefits. Net policyholder benefits remain relatively flat against prior year, totalling \$21.8 million for the first three months of 2013.

Returns on the investment securities portfolio remain flat against prior year with net investment income totalling \$7.9 million for the three months ended March 31, 2013.

At \$8.3 million, general and administrative expenses remain within the Company's budget based on its planned operational expenditures.

Our balance sheet continues to reflect high quality investments. Total assets have increased to \$586.1 million as at March 31, 2013 compared to \$583.1 million as at December 31, 2012. Invested assets remain a significant proportion of the asset base, comprising 84.2% of total assets.

The Company's first-quarter strong financial results speak to the Company's ability to adapt to the new economic reality, and to continue our growth in core businesses while pursuing sound investment and operational efficiency initiatives which will enhance value for our customers and shareholders.

Terence Hilts Chairman
