## NOTICE OF FILING EXTENSION

Notice is hereby given that The Bahamas International Securities Exchange (BISX) has granted a second extension for the filing of the audited financial statements for the year ended 31st July 2018. The extension was requested as a result of the implementation of a new Enterprise Resource Planning (ERP) system to improve our administrative and operational efficiency. Our ERP systems implementation team required additional time to perform validation procedures to ensure that our financial statements comply with International Financial Reporting Standards.

The audited financial statements for FOCOL Holdings Limited (FOCOL) will be submitted to BISX and published in two newspapers circulating generally within The Bahamas on or before 31st January 2019. Due to this delay, FOCOL will also be required to delay the publication of our Q1-2019 unaudited financial statements to 8th February 2019.
