NOTICE OF FILING EXTENSION

Notice is hereby given that The Bahamas International Securities Exchange (BISX) has granted an extension for the filing of the audited financial statements for the year ended 30th September 2020. The extension was requested due to delays in producing financial statements as a result of disruptions in our business caused by the coronavirus pandemic.

The audited financial statements for FOCOL Holdings Limited will be submitted to BISX and published in two newspapers circulating generally within The Bahamas on or before 19th March 2021. Due to this delay, FOCOL will also be required to delay the publication of our Q1-2021 unaudited financial statements to 29th March 2021.
