### Notice

Benchmark (Bahamas) Ltd. wishes to advise the investing public we have requested and received from The Bahamas International Securities Exchange an extension for filing our 2022 Audited Annual Financial Statements to allow further research into a difference in the due to clients account in the statement of financial position. We are working to eliminate this difference by providing sufficient support to determine the adjustment and avoid a qualified opinion. The Statement will be filed on or before May 31<sup>st</sup>, 2023.
